Bald Pussyland

Dear Virgin Territory,

I bought the December '15 issue of 18eighteen and loved every single pictorial in the magazine. All the girls from Emma to Marissa are out-fucking-standing. Every single 18-yearold teenager is cute and has a nice, naked, hairless pussy, and you can see everything. I am a big-time bald-pussy lover, especially the 18year-old teens who shave their pussies and like to show it off completely naked for my view-

ing pleasure.

I would like to give big kudos to Dolly the Tiny Dancer from Portland, Oregon on page 54. Dolly is so cute looking with her red hair in a bun. And when it's down, it's gorgeous! And what I want to thank Dolly for is how she shows off her bald, dome-shaped pussy mound on page 59. Thank you, Dolly. You're awesome! Will you bring her back for another pictorial with

more pictures of her pussy mound sticking way out and also with some nice close-up views of her domeshaped pussy?

Also, will you

Whether you like her tattoos or not, you have to admit that Kharlie's figure is the teen ideal: tight, perky and curvy. We love this fit babe!

guys show more girls with domeshaped pussy mounds in the near future? I just love the way it looks on a girl and I hope you guys do too!-B.L., Tacoma, Washington

Dear B.L.,

In addition to the Dec, '15 issue, Dolly has also been featured in Oct. '15 and Aug. '16. You can order a back issue on page 11. And as for dome-shaped pussy, we will certainly feature them in the magazine if any come our way.

Tiny Girls Rule

Dear Virgin Territory,

Aloha! For nearly two years now, at my job here in Hawaii, I've been lucky enough to work with a charming female co-worker with bodily dimensions identical to the seductively petite Dolly. Same height, same weight, same age. I myself having an affinity for girls on the diminutive side, always couldn't help but wonder during my frequent moments of fantasy: Just what does my teen dream co-worker look like au natural? I need wonder no more. Dolly's

superb pictorial answered this question for me and all I can say is: Wow! Here's to the daintier girls of the world!-R., Kailua, Hawaii

Dear R.,

Glad we could help make your fantasy a little more real. If we had a coworker who looks like Dolly, we'd be drooling over her too.

Almost Perfect

Dear Virgin Territory,

Kharlie is almost perfect. She's a 9 out 10. The only thing she has working against her are the tattoos. I just think her beautiful, tight body would like better without that giant flower distracting from her curves. When tattoos first started to become popular I was totally against it, but I have become more tolerant of them with time and have even grown to like some of the more tasteful or interesting ones. However, Kharlie's is too much. Oh well. I can certainly enjoy

the rest of her.

I like that you have been shooting more pee content. It sucks that you can't show those golden showers in the magazine though. Nevertheless, I still enjoyed seeing Kharlie position herself over the toilet as she prepared to unleash her hot piss. I logged on to <u>18eighteen.com</u> to check out her photos and video so I could actually see her pee. It has always been a fantasy of mine to watch girls do their business, so it was nice to see such a clear shot of her urinating. I'm looking forward to when you run her hardcore pictorial. She is one of your most lovely girls!-P.S., via email

Dear P.S.,

Believe us, we wish we could show peeing photos in the magazine. We know readers would love it. But alas, we are restricted to video and web. In any case, glad you liked Kharlie's pee pics.

Foxy Flatties

Dear Virgin Territory,

I think when you have lovely girls it doesn't matter how big their breasts are or if they fit conventional standards of beauty. The sexiness they bring to the table is more stunning than what a high class model could bring to your magazine. I love Marissa and the beauty she brings by just being herself. You don't have to big boobs to be beautiful. I also love her natural look. More nice girls like her, please. B., via email

Dear B.,

We of all people know the beauty of flatties! Glad you like our girls. Thanks for writing in.

Sexy Sheer

Dear Virgin Territory,

I am a big fan of *18eighteen* magazine and a first-time writer. I would like to make a suggestion. I would like to see more of the girls in the photoshoots wearing sheer panties like the ones Megan wore in the Aug. '15 issue and the ones Summer wore in the Feb. '10 issue. And also more

back shots with them on. I think other readers would probably like that too. Maybe a video of that later on too would be super if possible. And could you bring Adria back from June '16 to do a photoshoot with those sheer panties? Thanks.-S.A., Socorro, Texas

This Iollipop is one of the few things Farrah has sucked on.

Dear S.A.,

Most of our readers like white cotton panties, but now that we know you like sheer panties we can include some for you. Alex from the Holiday '15 issue and Dolly from Oct. '15 are wearing sheer underwear if you have any interest in checking them out.

Farrah Doesn't Suck

Dear Virgin Territory,

Is Farrah really a blow job virgin? While I normally prefer girls who at least have some experience, it kind of turns me on to think of teaching little Farrah how to suck like a pro. I'll be honest; most first-time blow jobs are terrible. But I would do my best to guide her and give her feedback. She'd be the best little cock sucker in town after I was done with her. And of course I would return the favor by munching on her delicious bald pussy and fucking her till she creams all over my cock.

Did Farrah shoot a hardcore scene for you? If she did, maybe she has already got her first blow job lesson! I'd be interested to see that. Farrah (and all the other girls in the August

'16 issue too) really exemplifies why I love teen girls. You can't beat those perky, little tits, slender body and nice, round ass. She's a ripe, juicy peach ready to picked. So soft and fresh. And speaking of peaches, for such a tiny girl Farrah has a booty on

her. I know for sure that's a virgin ass, but maybe after she gives her first blow job she'll start opening up to more sexual acts. Do you have any photos of her butthole? Her finger hand was covering it in most of the photos. My suggestion is to skip the fingering pho-

tos. I just want to see the girls splayed open and their pussies completely unobstructed.

If Farrah isn't ready to give her

first blow job maybe she would be interested in performing oral on another one of your lovely teens. Just wishful thinking, hehe.-R.F., Tallahassee, Florida

Dear R.F.,

We had a hard time believing it ourselves, but yes, Farrah really was a blow job virgin. That's why we photographed her sucking on the lollipop. We wanted her to practice sucking on something, especially since she did not shoot hardcore with us.

Elsa's Speculum Inspection

Dear Virgin Territory,

The pictorial of Elsa in your Aug. '16 issue was really hot. The gyno theme was so naughty, and I nearly fainted when you introduced the speculum in the pictorial. I'm glad that it wasn't just a prop

and you actually inserted it inside of Elsa. I've always wondered what that looks like, and now I know. The centerfold shot of her was also excellent. It was everything I like to see: pretty, flat girl with a big, hard cock deep in her pussy. I love the way she pulls

her pussy lips back so we can see how stuffed her hole is. Your girls have some of the most pristine pussies and buttholes I've ever seen, and Elsa is no exception. On page 49 her asshole and cock-filled pussy are works of art.

While I think the gyno theme is hot, I wonder how women feel about it and if they ever get aroused when they have male doctors. I can only imagine how uncomfortable a male gyno would be with Elsa as his patient. I think I would get a hard on just seeing her clothed; imagine seeing her amazing pussy in the flesh and having to control your erection!

Please shoot more doctor/patient pictorials and include more scenes

with a speculum inspection!-R.G., Worcester, Massachusetts

Dear R.G.,

If you like the patient/doctor theme you should check out our movie Teen Rectal XXXams. You can order it online

Tiny Tits, Tiny Twat

Dear Virgin Territory,

You should have a contest for the flattest girl ever. My vote would go to Sadie from Aug. '16. Wow...she is so flat! And I mean that as a compliment. I happen to find her small breasts and sweet smile very sexy. And her tiny brown nipples are adorable. And at only $\bar{5}'$ and 100 lbs she sounds like the perfect like fuckdoll. Although I don't know how she can fit anything bigger than two-fingers width in that incredibly small pussy of hers. Sadie would also win the tiniest pussy award. I was surprised she could fit that dildo in there. It probably took a lot of warming up and lube to squeeze that dong in there. I am really interested to see her hardcore pictorial to see how she handles a porno stud's huge cock. Hey Sadie, my cock is average sized and I'll make sure to be gentle!-W.P.,

Dear W.P.,

Vancouver, Washington

Sadie does have a hardcore scene that you can check out in Flat & Fucked 10. Getting that big cock in her pussy was tough, but she managed it!

Bush Whacker

Dear Virgin Territory,

Can you please feature more girls with pubes? I'm a fan of the bush. I would especially like to see Lexy once her bush is in full bloom. I find her very sexy, and seeing her pubes grown out to their full potential would really turn me on. I would also like to give props to Chloe and Satine for their healthy blonde bushes. And honorable mentions go to Anissa and Sky for their mini bushes.-T., Peoria, Arizona

VIRGIN TERRITORY

Continued from page 8

Dear T.,

We love to feature girls with bushes. Unfortunately we don't get too many that come our way. Although in this issue you can check out Chloe and her bush on page 70.

Find A Way To Make It Work

Dear Virgin Territory,

I am seriously disappointed that none of your female readers took the time to provide advice on how I can go about losing my virginity (getting laid)! Do any of the models you use in the magazine have any advice for me? I would really like to know what they might suggest. I will be 56 soon and I would really like to lose my virginity before then!–J.H., Aberdeen, South Dakota

Dear J.H.,

Not sure if you're aware of this, but I (the editor of this magazine) am a female. And while I am not a teenager, I'm still relatively young. I could give you superficial advice like hire an escort or buy new clothes or try some lame pick-up line. But since you have been asking for years and seem to disregard the advice that other readers have given you, here is my real advice. Women like men who listen and are open to trying new things. Would you consider yourself to have these traits? Based off of your correspondence, it seems that you are not ready to accept the advice of others or to step out of your comfort zone. It's time to stop making excuses. You have said before that females just don't like you. Well, why is that? What could you do to improve yourself that would not only make you more attractive to the opposite sex, but help you feel better about yourself? Use the frustration that you feel for still being a virgin and turn it into something productive and positive. Try new hobbies so you can meet new people. Join a club or a running group. Take a class at a community college. Get on the Internet (seriously)! Don't have the money? Cut expenses somewhere else or get another part-time job. In short, find a way to make it work. Do something, ANYTHING. There may be obstacles in the way, but in order to be successful you must find a way to overcome them.

Blaire's 18th year is turning out to be very good.

Blaire turned 18 and decided that she wanted to do nude modeling. A few months later she was in our studio, taking the photos you see here, along with some other naughty ones you'll see in the near future. "Turning 18 was awesome because I knew I could finally show off my body and start having amazing sex!"

Blaire makes us feel like it's our birthday. Seeing her naked is a gift!

We've admired her body, now let's learn a little more about Blaire. She's from Virginia and stands at an impressive 6'1"-one of our tallest teens ever! She's played volleyball for 10 years, works in a cupcake and candy shop and says that in high school she was the typical "good girl" on the outside. But on the inside? Well, that's the side of Blaire that landed her in our studio.

Tell us about some of the hot sex you've had since you turned 18.

"There was one situation where I didn't actually have sex, but it was still pretty hot. I went over to my guy friend's house and he was there with my ex. We all sat on the couch watching TV with me in the middle. One of them started rubbing my shoulders, the other started feeling me up, and it progressed from there. There was a lot of fingering, licking, groping, etc. It was a lot of fun. Now I'm dying to find out what it's like to be in a real three-way."

about Mr. Dwyer. Chris, as he liked to be called by former students. Emphasis on former. Cassie had had Mr. Dwyer in ninth grade and again as a senior, and had been hot for him the entire previous year. She wasn't alone, either. Her friend Sara wasn't the only classmate of hers who talked openly in the locker room about the things they wanted to do to, or have done to them by, Dwyer. He was in his forties, true. But he was fine looking. And he was in great shape. And, every once in a while, depending on who in the front row was wearing what, you could tell he'd noticed by the bulge in his pants. A considerable bulge being the general assessment of the girls in her gym class.

Thus, wet panties were already in play. The level of dampness, however, would be considerably greater if she

didn't get to the restroom in short ord-

BRRRRIIINNNNGGGG. With a shaky sigh, Cassie got to her feet, nodding at the stream of ninth graders eager to escape to lunch. Cassie wouldn't be joining them, though. She wasn't hungry. Not for cafeteria food, anyway. If Mr. Dwyer–Chris, she corrected herself–wanted to feed her some meat, though, well, that'd be a different story. Eating his dick for lunch and swallowing his cum for dessert? That'd certainly be more appealing than anything in the teacher's lounge.

"Grab a bite?" Dwyer asked once the last of his stu-

dents had filed out.

"Sure," she agreed. "Just...gimme a minute."

Her belly felt bloated. She pictured herself looking pregnant. It was uncomfortable to walk, she had to go so bad. Could she hold it? Maybe. The bathroom wasn't far. She clenched her jaw and tried not to cross her legs.

C'mon, c'mon, c'mon, she rallied, encouraging herself. *You can do this.*

She reached the door and fumbled with her keys. This bathroom was ordinarily locked, but being on the intern staff, she had a key. She opened the door, made sure no students were lingering in the hallway and then darted inside. The tingling sensation emanating from her crotch was intensifying.

She hadn't used this restroom before, but it was obvious why it was closed to students. One sink had been

removed, leaving exposed pipes sticking out of the wall. The tile was coming up. A ceiling panel hung down, stained from a roof leak and, ugh, the stalls had no doors. She prayed the dispensers still held paper.

Not that it mattered. She picked a stall, undid her pants and struggled to push them down her thighs. Cassie had a decent body. Not much in the boob department, but a hot ass and nice legs. The pants she'd chosen to wear today were tight. Probably too tight, she decided, bladder starting to red-line. But she knew she looked aces in them, and if she was going to be

spending eight hours in Dwyer's company, she wasn't going to dress like her mom.

Finally! The denim relinquished its grip on her backside. She panicked for a second, thumbs inside her panty waistband, believing she was starting to leak. But no, that wasn't it. She rated her bloomers' dampness a two on a scale of one-to-four. Of course, by ninth period, they'd be soaked, but for the moment, it wouldn't be because she couldn't hold it.

She sat, released the breath she'd been holding and waited. The tightness in her gut was rough. Worried, she wondered if she might not be able to go now.

Then, her muscles relaxed, and a hot stream of urine poured out of her, the echo ringing off the tile.

"Oh, god..." she exhaled, fingernails digging into her knees. It felt like she'd drunk a gallon of soda, the way it gushed out of her. The heat down there was noticeable.

What would it be like to have Dwyer–Chris, Chris!–down there? That huge cock of his plugging her box and churning her insides to butter?

She closed her eyes. Sighed with relief as her bladder emptied. *No way*, she thought. There was no chance she was going to make it through ninth period before her undies had soaked through. She wished she'd told her

mentor to go on ahead,

She rated her bloomers' dampness a two on a scale of one-to-four...by ninth period, they'd be soaked.

would have been smart. That would have given her the extra few minutes she needed. Not long, just enough time to fingerfuck herself to an orgasm. Or two.

"Yeah..." she sighed, the stream starting to subside. She remembered Dwyer telling her about his plans for letting her run fifth period. Had he been hard? She couldn't tell, not while trying to keep eye contact with him. But...she thought she'd noticed the infamous bulge in full glory before he'd taken his spot behind the desk, the first of his fifth period students coming into the classroom.

If I do good, will you let me sit on your lap? That's what had flashed in her mind. What would he have done, she wondered. Told her that was inappropriate? Kicked her out of the program? Reported her?

Maybe he woulda winked at her. Empty. The last trickle of piss dripped out of her, and she wiped down her lips, heart still thumping.

Lap, face, wherever you want, she imagined him saying. Oh, and since I can tell? Sure, you can suck me off when you're done, too.

She huffed out a breath. Tried to regain her composure. Her pussy was still oozing. She needed to cum.

The clack sound caught her attention. She wasn't concerned, but... Well, not very concerned, at least. After all, the place was falling down around her. That sound? Could have been anything.

Only something didn't feel right. Even though she hadn't heard the door open, she didn't think she was alone any more. Plus, even if someone had come in, would she have noticed? For chrissakes, she was gushing like a fire hose. She might not have heard the door.

But if someone else was in the Girl's room, what were they doing? Whoever it was wasn't in the next stall. She could see from where she sat they weren't by the sink, either. So...was she alone or not?

"Hello? Almost done, if you're waiting," she said, trying to sound like a teacher. An adult, at least. Being a college freshman only seven months removed from graduation, though, she didn't think she sounded terribly convincing. Either way, no answer came. She flushed, buttoned her pants and stepped out of the stall, looking around.

There wasn't anybody. When she looked to the door, though, her heart skipped a beat.

The door...It barely made a noise as it shooshed shut.

he teacher's lounge wasn't big, so it was easy to see that Dwyer wasn't there when she arrived. She turned away and headed back upstairs, cursing herself.

She had had time to get off!
Damnit! She stalked up the stairs and down the hall, glaring at the restroom door. She'd rushed out without fingering herself, in the hopes of walking down to the lounge with him, and not just because she believed she'd been spied on.
Whoever had been in the bathroom had probably been able to see her using it. She'd noticed the mirror over the sink, and just a few steps in, anyone would've had a clear view into her stall. Had she looked up,

instead of watching herself piss, she would've spotted the kid. It might've been embarrassing, but so what? Her dorm at college had co-ed bathrooms. She'd seen plenty of girls walking around topless, full-vag on display, guys in nothing but a towel. It wasn't that big a deal.

Still, she couldn't help but feel that it had been more than that. The door had only been closing as she'd been yanking up her bloomers. Had...had someone been watching her pee? The idea of it made her feel a little nervous. But at the same time...it was kinky as fuck. As if her panties hadn't been gooey enough.

She saw the classroom door was closed and considered heading down to the cafeteria after all. She was hungry. Horny, too, but there wasn't anything she could do about that right now. Getting caught in the parking lot masturbating? Not a good idea. Besides, her purse was in the classroom, and if she was going to eat, she was going to need some cash.

"Well, look who's here."

His voice took her by surprise. She saw him standing there, arms crossed, like he'd been waiting for her. She grinned sheepishly.

"Sorry. I went straight to the lounge," she confessed, shrugging her shoulders. "I thought..."

"What did you think?" he asked, stepping closer. Cassie wanted to cross her legs. Despite not pleasuring herself in the toilet, it felt like her pussy was seeping through her jeans. She was surprised he couldn't smell her twat through the denim. She was dripping downstairs and swallowed hard in an effort not to show it. Did he just look down there, though?

She blinked, feeling out of sorts. She felt as jittery as she had on her first date, when Brad had copped a feel at the movies. And later, when she'd pulled her shirt out of her pants so he could reach under and play with her boobs.

Change the subject, she thought, her discomfort growing. Just...just Continued on page 63

It's the attack of the six foot teenagers!

Normally our models are on the petite side at 5'3" and under. However this issue features two teens who are six feet tall, which is very rare for us. Elena is six foot even with a fresh, young face and perky, little titties. She came all the way from Washington state to suck and fuck for us. "I'm a thrill seeker, so what could be more thrilling than fucking a guy on-camera?" It's thrilling for us, too, Elena.

What satisfies you best?

"Penetration and having cum in or on me. The most fun I had was being submissive and getting multiple loads of cum on my face for Valentine's Day. I like to change positions a lot, and if the mood strikes I enjoy anal play."

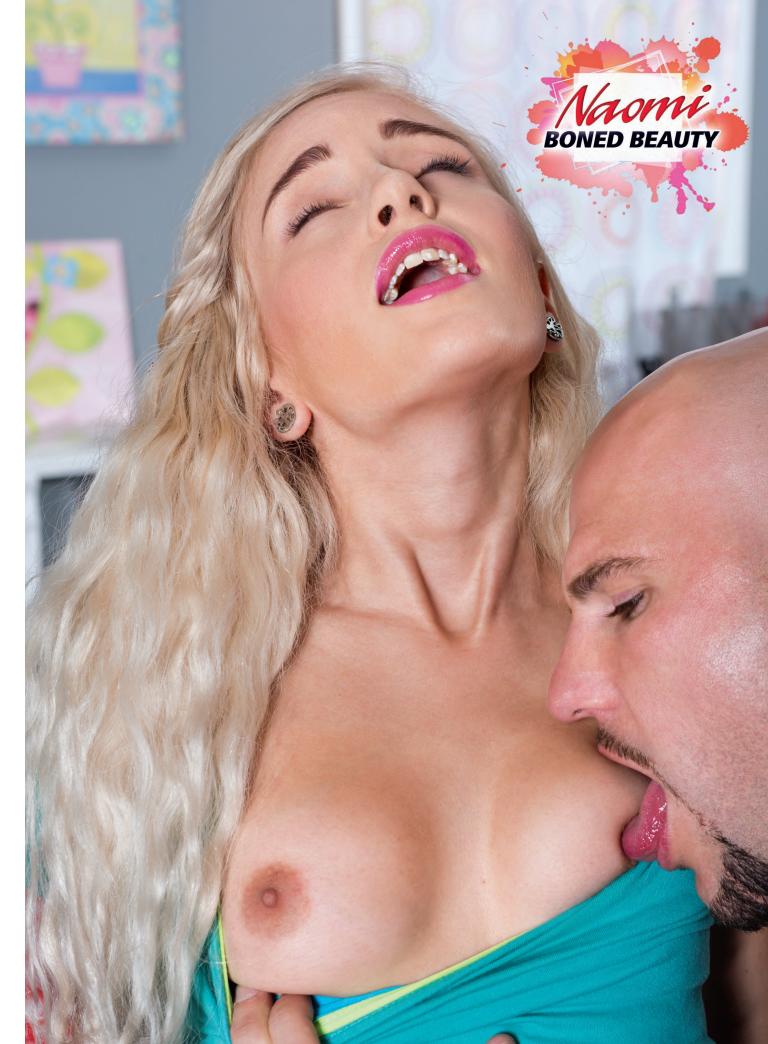

Want to make Naomi happy? Stuff her and give it to her rough.

Naomi is amazed at how big JMac's cock is. How will it fit in her hole? With a little fingerwork he's able to open up her slit enough to slide his dick in. She spreads her legs wider to get as much of him inside of her as she can. This little teen has never been this filled up before. She likes it, just the way she likes how JMac aggressively launches his cock into her stretched pussy.

Her dream of being a star came true.

"I'm just a small-town girl from Georgia. A year ago I would have never guessed that I'd be on-camera fucking huge cocks and taking loads of cum on my face. I always wanted to be an actress, but this is even better. I don't have to act! I'm horny and I love sex, so I can just be myself, have fun and cum. Definitely beats being an extra. No one would even notice me if I were an extra, but now tons of guys are watching me suck and fuck and are jacking off to me. Knowing that is just as satisfying as getting banged by a huge cock. [Laughs] Okay well, it's almost as satisfying."

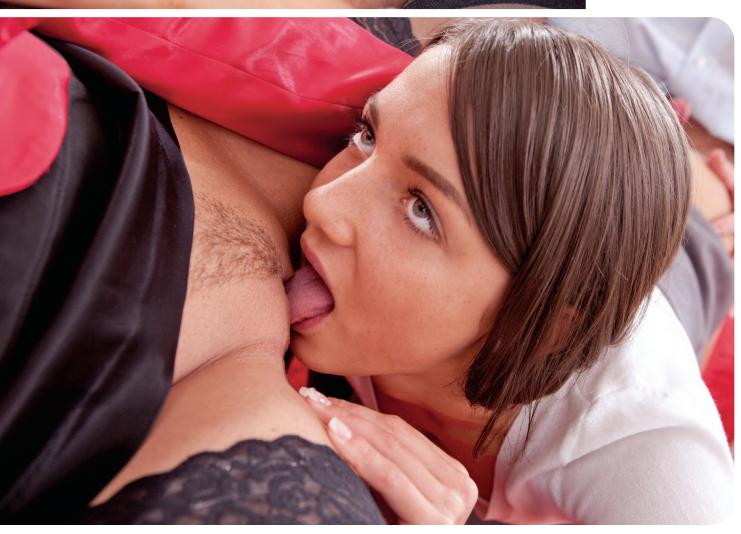

Sometimes being a bad student pays off.

Foxy's grades haven't been so hot this semester, so she visits the school administrator's home to discuss her options. His sexy, older wife happens to be present, and both she and Foxy have the same idea in regard to doing extra credit. After all, a young, little thing like Foxy can learn a lot from an older woman. Like how to suck cock and ride it. She may have done poorly in her classes, but this is one lesson Foxy won't forget.

This is marriage done right.

After sharing cocksucking duties with the administrator's wife, Foxy laps up the MILF's juicy slit while the administrator tongues the teen's pussy and asshole. Now Foxy's box is nice and slippery and ready to take his dick. The loving wife guides her husband's cock into the teen's gooey center, watching his shaft disappear inside the girl. She rubs his balls for encouragement while Foxy enjoys the rhythmic thrusting of the husband's cock. Cum is on the horizon.

How did you like being with two older people?

"I'd never done a three-way, but it was something I always wanted to experience. Luckily I came into the right situation with this older couple. The wife was very sexy and eager to watch me fuck her husband. He was very good with his cock. It was the best introduction I could've had to a three-way."

talk about something. Anything!

"Uh, you didn't see anyone in the hallway after class, did you? A kid just hanging around, maybe?"

"No," he said, shaking his head. "I didn't see anyone by the bathroom."

"Oh, okay, because..." But she couldn't go on. She hadn't said anything about the bathroom. How could he have known, though? Unless.

"In case you're wondering," he said, so close that he'd invaded her personal space. "I nearly shot my load watching you pee."

"Y-you?" she blurted, mouth hanging open. Not for long, though. Just long enough for Chris' tongue to fill it.

"MMPH!" she exclaimed, leaning back against the board.

He put her hand on his junk. Cassie almost pulled it away. Holy shit did he feel big!

They broke the liplock, gasping. Cassie's nipples were as hard as his dick. He ran his thumb across one. It felt like she was melting.

"Is there someplace we can go?" she whispered, thinking he'd have to carry her wherever they went. A motel, maybe. A nearby park. Hell, they could just drive off school property to the woods and she'd fuck him on the hood. That wasn't what he had in mind, though.

"Go? Why go anywhere?"

Her mind raced. She'd spent the entire previous year fantasizing about doing things with Mr. Dwyer right here in this classroom. Giving him head—the kind of blow job where he finished by pulling out and jizzing on her face. A torrid 69 on his desk. Having him bend her over one of the student desks to pump her full of semen doggie-style. Fingering her ass as he banged her hard. Other things, too. Much, much dirtier things.

But in her fantasies, it was always after school. Or on the weekend. In one, she was the only girl who'd gotten detention, and he was there, waiting to show her what happened to bad girls. Right now, though, it was only sixth period. Only ten minutes in, sure, but still, it was the middle of the school day! She looked toward the *Continued on page 85*

Lena is one of our most memorable models.

Long-time readers of 18eighteen will remember Lena, also appropriately known as Puffy. She graced our pages between 1998 and 2000 and readers have been transfixed by her enormously puffy nipples ever since. We're revisiting her set because to this day we have not come across a teen with a pair of nipples as puffy as Lena's. Once a source of embarrassment for her, Lena learned to embrace her breasts after shooting with her studio and seeing the overwhelming response from readers.

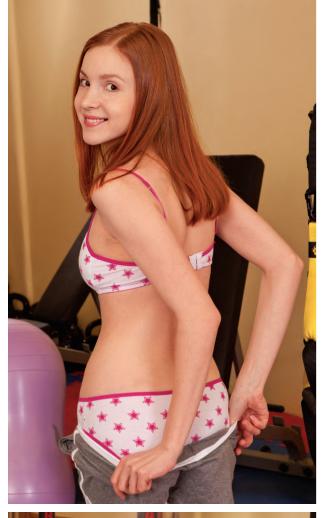

It's safe to say that Chloe wants something sweet for Halloween.

"I'm going out without a bra or panties and hoping for the best," she said. But before her night on the town she rubs one out. In the video for this set (which you can see online at 18eighteen.com), Chloe makes good use of her broom prop. This little witch is feeling horny, so she takes out her itty bitty titties and frees her bushy pussy. Since she doesn't have a cock around (yet), she grinds her slit up on her broom. Her pussy is bright pink with lust as she strokes and fingers her slit till she gets her Halloween treat. "There's so much electricity in the air on Halloween, and I get so excited thinking about the possibility for new dick that I have to masturbate!"

door. The glass was frosted, but if someone really tried to look in...

She turned back, saw the look in his eyes. He grabbed her by the jeans.

"God," he murmured, stabbing his tongue into her ear. It made her shiver. "It was so hot seeing it flood out of you. You must have been so wet..."

She nodded. Her zipper was down, his hand finding the soaked panel of her panties. She eyed the door again.

"What's wrong?"

"Aren't you going to lock it?"

"Why? No one's coming. Not yet."

"B-but..." she stammered. He didn't seem to care, though. He carried her to the desk, which was conveniently clear of reports and papers.

"We can't!" she protested, albeit weakly. She was giggling when she said it. It felt good having her ass on top of the desk. She'd spent so many nights the previous semester dreaming about it she couldn't count. Roughly-turning her on more if such a thing were possible-he grabbed her waistband and stuck his fingers down inside, flicking her clit.

She whimpered. Then, he was leaning over her, her pants slipping down, the denim sticking to her thighs, her panties twisted into a gummy ball.

He didn't bother to work them all the way off. He simply put his foot between her knees and turned them inside out on their way to the floor, leaving her ass naked from the waist down. He reached for her shirt.

"Hold on a sec," she said, pointing. "This goes two ways."

She grabbed his belt, ripped it from the loops and freed his cock.

Chris was fucking hung. It looked like someone had jammed a ripe plum into the end of a paper towel tube. Only, he was all flesh and blood, and his thing was staring her right in the face. It was so shocking, seeing itactually seeing it-that she could only stare. Well, and gulp.

"Next time you piss," he said, pulling her close. "Maybe you'll let me be inside your mouth?"

The idea floored her. Her pussy was soupy, her nips were throbbing and Chris' turgid cock was lifting up her shirt. Damnit-not her shirt-her whole freaking bra!

He dropped to his knees, split her lips with his tongue and began to eat her out with an intensity she didn't know was possible. Cassie wasn't a virgin. She'd had a guy or two go down on her. But...they were classmates. High school guys. And, while it was nothing to complain about, it was still immature. Lacking, in some way. It had felt good, and she'd gotten off, but that was about it. Barely gotten off was more like it. Her first fuck? Not terribly memorable but for the fact it was her first. Just...okay. But even the next few times they'd done the nasty-in his car, once in her bedroom, once in the basement while her parents were watching TV in their liv-

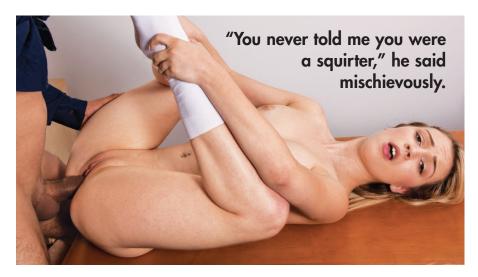

Oh god! Her brain was shrieking in panic. I pissed on his face!

But it wasn't piss. He smiled. A wickedly lurid smile that sent chills up her thighs.

"You never told me you were a squirter," he said mischievously. "Surprise-surprise."

Cassie didn't know what to say. Chris wiped his face with his hand, but there was still girl juice running down his cheek. It was all the way on his ear! On top of that, how could she have told him? She didn't know. No guy, even the first boy who'd made her cum, had made her do this. She didn't have to explain, though. He could read it in her eyes.

"Really?" he said, though it wasn't

ing room-it just hadn't been all that.

Chris tongue-fucking her dripping snatch, however? Now this, she thought, could quite well be all that. Maybe more, because she was on the verge of a climax-one she'd been dreaming about for a year.

"I'm gonna get off in your mouth!" she groaned, doing her best to keep her voice down. If someone walked in and caught them in the act? There was nothing she could do about that. But she wasn't about to bring anybody looking, that was for certain. She dug her fingers into his thick hair and pushed his face into her fragrant folds. His tongue action told her he liked it. So she ground against him, his stubble rough against her clit.

"Ungh! Oh fuck yeah!" she hissed. "Eat me! Don't stop 'til I-I-"

Whoosh!

Cassie froze. So did Chris' tongue. She stared down between her legs, at the fluid dripping from his face.

a question. "Never, huh? Well, you know what that means."

She didn't, and that was pretty obvious, too. He winked at her.

"Means I need to see if I can make you do it again before the bell rings."

Cassie checked the clock. They had less than fifteen minutes. She'd lost track of time when he'd started going down on her.

"M-maybe we should..."

He ignored her. Her fear and concern were like aphrodisiacs, though. Besides, she needed to cum again. She just prayed there was enough time.

Chris nibbled her clit, plunging his middle finger into her oozing cunt. Hitting her G-spot was like target practice for a marksman. She let her head roll back, thrusting against his mouth. The second hand seemed to be speeding around the clock.

"Hrnh, hrnh, hrnh," she grunted, wanting to scream because it felt so good. She was getting close. It was

hard to concentrate on anything now. Just her fuckhole and the clock. The clock, though, began to fade.

So close now...on the very edge. Gulping in breath. Her heart hammering. Any second now. Any...fucking...second...

Again, everything stopped. She was so into it, so out of control, for a moment she couldn't tell if she'd cum again. She looked down at her splayed vag. No, she hadn't squirted. But then, Chris hadn't stopped because she'd cum. He'd stopped so he could put the tip of his enormous prick into her cock-slot.

Chris went in. A few strokes later, a gush of juice splashed out on the downstroke. Cassie's muscles clenched, and she feared she would pass out, right before the kids showed up for class. Chris banged her for another minute, then pulled out. Disoriented, she looked up at him.

"No need to rush," he confessed, climbing up onto the desk and parting her thighs so that her legs were spread twice as wide. He pressed his meat back into her creamy slit.

"Assembly today, sixth period," he said, and drove into her like a train.

hat do you think?" she said, gesturing to the pair of empty Big Gulps on the vanity in Chris' bathroom. She straddled the bowl, watching the anticipation on his face grow. She wasn't sure how many times she'd squirted before they'd had to finish up at school. He'd made her cum in his mouth, on his face again, all over his abdomen when he'd pulled her on top so she could ride him cowgirl. On the way to his place, she'd asked him to stop at the 7-11. She hadn't explained why. Now, he knew. And, he looked ready too. Really ready. She could feel it building to that point. She couldn't hold back any longer.

"Three...two...one..."

A different whoosh, Chris' cock in her mouth, filling it while hot urine gushed out of her.

He'd cum four times today, which she believed was a plus. At least he wouldn't be able to drown her with his cum. And if she had to spit a little? She was no quitter, but if that's what it took. If she had to guess, there'd still be plenty to swallow. She'll be ready.

As it turned out, she was right. 18
